***Memory scripture will be recited by players from both teams at the beginning of each quarter after the opening prayer. At the halftime period a bible can be used for the devotional scriptures. The team considered the visiting team will do the opening prayer and the team considered the home team will do the halftime devotional. Opposing coaches will select players for memory scriptures. These scriptures are to help the kids focus on the understanding of God's word, the sacrifice on the cross and what it means to be a disciple of Jesus Christ. Coaches are encouraged to be involved in the summer bible study reading program with their kids.***
